Gulf Winds Triathletes

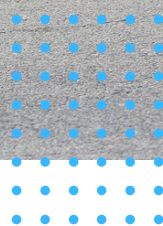

OUR HISTORY

Gulf Winds Triathletes is a local, USAT-certified triathlon club based in Tallahassee, FL. that was established in 1998. As part of our parent organization, Gulf Winds Track Club, we bring our athletes the best of both worlds in swim, bike, and run with countless opportunities for training and racing in one of the most beautiful locations in the Sunshine State.

We operate as a 501(c)(3) non-profit organization and membership in our group also provides athletes with a complimentary membership to the Gulf Winds Track Club. It's an important partnership that fosters community involvement and increases camaraderie between both local, athletic clubs.

OUR MEMBERSHIP

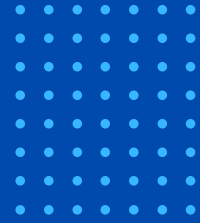

We currently have 238 members that range in age from 13 to 75 and include all skill levels, from beginner to elite. Each year, our members compete in local, regional, national, and international triathlons ranging in distance from short course sprint to full Ironman.

Our Mission:

The focus of this group we fondly call “the Tri Club” is to provide a welcoming environment for all athletes to learn, grow, and excel in multi-sport competition and maintain a healthy lifestyle.

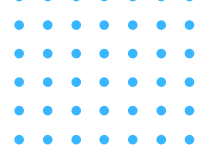

YOUR SPONSORSHIP

Your sponsorship will help the club put on our annual hometown race, the St. Marks Duathlon, as well as subsidize race kits (team uniforms), and provide year-end awards. We also utilize sponsor funds to maintain our USAT membership, pay insurance fees, and put on informative clinics for members. The club regularly hosts team gatherings at races and we have an annual Christmas Party.

Our club meets the third Monday of every month at Momo's Pizza- Market Street at 7:00 p.m. where we feature speakers dispersing wisdom on triathlon-related topics for our members and guests. This event is open to the public and we welcome all newcomers eager to learn about the sport of triathlon.
